

Essentials :

- 3/4" organza ribbons
- Glass beads
- 20 mm aluminum jump ring
- 4 - 6 mm jump rings
- 1 gift box
- 1 round nose pliers
- 2 flat nose pliers
- 1 cutting pliers
- 1 pair of scissors

Coordinate the colour of your ribbons to that of your beads.

Cut 4 lengths of ribbon.

Create your charms using the round nose pliers and add the metal rings.

1

Place 2 ribbons under your gift box width wise. Make a double knot on the top of the box. In order to have a tight knot, use your index finger to press down on the first knot while you make the second.

2

Repeat step 2 with the remaining ribbon, this time doing so lengthwise.

Invert the colours if you are using 2 different coloured ribbons.

3

With the remaining length, tie 1 or 2 bows.

Thread the aluminum ring to the center of the bows

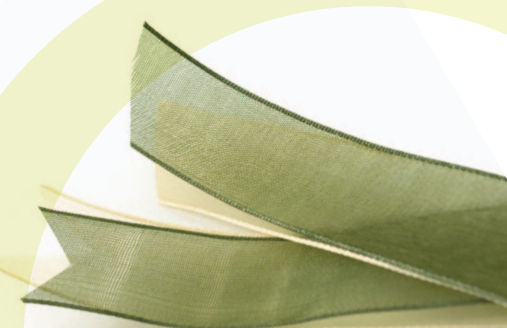

4

Add your charms.

Cut the end of the ribbons in a "V" shape or diagonally in order to prevent them from fraying.
