

Essentials :

- 2.5 or 3 mm gauge aluminum wire
- Large hole Miracle beads
- Round pliers
- Cutters
- Wine glass

Choose colors so that the aluminum wire coordinates with the beads.

1

Unroll and cut approximately 15 cm of aluminum wire.

With the round pliers, create an original form at one end of the wire.

Thread a bead.

2

Go around the glass stem twice with the wire.

Thread another bead onto the remaining part of the wire.

3

Finish the ornament with a little eyelet.

Voilà!
